

## FIGHT TO CURB TRACTION TRUST IN NEW JERSEY

**BILL at Trenton for Public Service Board Will Be Up To-Night.**

A bitter fight that has been waged against the giant Public Service Corporation of New Jersey in the Legislature of that State this winter is expected to reach a crisis to-night, when Assemblyman William P. Martin, of Newark, will make a desperate attempt to secure the passage of a bill to be introduced last week providing for a Public Utilities Commission.

All the influences of the Public Service Corporation will be exerted to keep the bill from coming up. If the bill is passed it will mean the election of a commission of five, similar to those appointed in this State, which will have unlimited powers in governing the tremendous corporation which controls the electric lighting and trolley utilities of the State.

The Democratic and New Idea Republican parties pledged themselves in their platforms in the last election in New Jersey to legislation to curb the Lighting-Traction Trust.

At various times during the present legislative session there have been attempts made to get bills through looking to some sort of regulation of the big monopoly. Each time, until Assemblyman Martin got up his bill, the efforts were smothered.

Assemblyman Martin is a New Idea Republican and went through the campaign made by Everett Colby, leader of the reform movement in Essex County, Martin promised the Essex County supporters that he would do what he could to frame a bill that provided not only for a commission of five to take the Public Service Corporation under its wing, but to empower the commission to fix values of the corporation's properties.

have a complete investigation made of the manner in which the Public Service Corporation was formed. The Public Utilities Commission, under his bill, could go over the corporation's books and this, Martin believed, would bring about some startling disclosures. There would be revelations of watered stock and, Martin believed, some things made known concerning certain well-known politicians.

## AFTER DOCTORS FAILED

**Lydia E. Pinkham's Vegetable Compound Cured Her.**

Williamstown, Conn.—"For five years I suffered untold agony from female troubles, causing backache, irregularities, dizziness and nervous prostration. It was impossible for me to walk upstairs without stopping on the way. I tried three different doctors and each told me something different. I received no benefit from any of them, but I am restored to my natural health."—Mrs. ETNA DONOVAN, Box 249, Williamstown, Conn.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ailments and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

Assemblyman Martin's idea was to
